November 2011

Volume 22, Issue 11

Note From the President

By Terry Hibbett

Finally some cooler weather that is suitable for VW driving. Only bad thing is that within a few weeks we will all be complaining that its to cold to drive them. So get them out and drive them before the weather changes and we have to put them away for the winter.

Still a few cruise-in's going on and a few show still coming up so check these out and attend them so you will be satisfied through the winter. It will seem a long time until the spring rolls around and all the events start up again.

Please don't forget to come to the November meeting on November 21st and bring your ballot for the 2012 Officers election. Also the November meeting is the last meeting of the year as there is no meeting in December, only the December Christmas Party. Read more about the Christmas Party in this newsletter.

Until next time, drive your VW's and show your colors..

Oktoberfest

Five members of the Middle Tennessee Volkswagen Club participated in the 24th annual Oktoberfest antique car show held on the campus of the Wilson County Bank in Lebanon on October 16. Participating were Charlie Cunningham with his beautiful red 71 Super Beetle, Luis Ortiz with his sharp 73 baby blue Beetle, Ken Johnson with his bright yellow Sun Bug and Jerry and Kathy Gober showed their excel-

lently restored and extremely unique Country Buggy.

This was one of the largest shows in the Wilson County Bank car show history. Estimates on the number of cars in the show went from 450 to 600 cars. There were a number of non-club VWs in the show. There was plenty of good food, live music, and tons of cars. Every club member brought home some hardware from this show. Thanks for taking the picture Kathy.

Fall Fest

On Saturday night, November 12 we met at the home of Trish and Harry Combs for our annual Fall Festival. Trish and Harry had everything set up nicely in the yard with preparations for eating and for a fire on the big rock formation down in the back yard. Harry had rolled

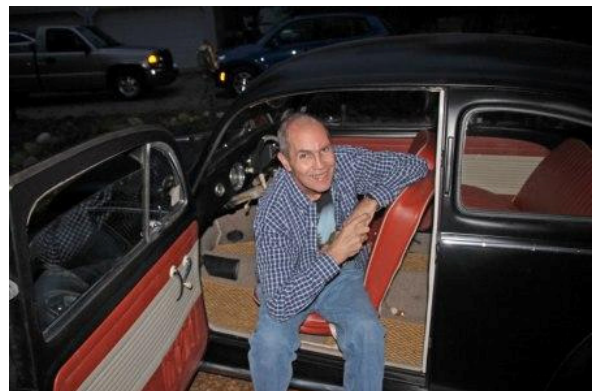

out his oval window beetle as a good attention getter. The weather was dry but windy and a little cool, but the fire made things a lot better.

The food was great with chili, potato salad, salsa and chips, hot dogs and the fixin's, and several good desserts. The fire was just right for cooking the hot dogs, and there were plenty for everyone. As the night wore on people kept moving closer to the

fire to ward off the chill. We enjoyed sitting around and talking and watching the fire. It was another fun time at the Fall Fest and we appreciate Trish and Harry letting us come to their beautiful home.

CHRISTMAS PARTY

On Saturday December 3, we will have our MTVWC annual Christmas Party. It will be held at the Brook Hollow Baptist Church at 678 Brook Hollow Road in West Nashville. We will gather for snacks at 5:00 and eat at 6:00.

This is always one of our biggest and best parties of the year. Lots of food and lots of fun and fellowship.

The Club will supply the food and we ask that the ladies bring some of your wonderful deserts. We will need to know how many members will be attending so we will know how much food to purchase. Please sign up at the November meeting or call Terry or Gayle on or before December 1st. As always, this is a members only Christmas Party, no guests.

We will also be playing dirty Santa on a voluntary basis, in other words, you don't have to play but it's fun. If you do play, men will bring a men's gift and the ladies will bring a ladies gift. The gift must be a \$10.00 gift and if possible make it a VW or car related gift (men's gift), ladies is VW or something ladies like.????

Hope to see everyone at the Christmas Party on December 3rd.
