

## Note From the President

It is November and the trees are turning and the leaves are falling. Just wish the weather was a little warmer cause it would be so great to go cruising in the bugs.

As you know, we nominated next year officers at last months meeting. They are as follows:

**President:** Terry Hibbett

**Vice President:** Jerry Gober

**Secretary:** Tricia Combs

**Treasurer:** Gayle Hibbett

**Newsletter Editor:** Emmett Wood

**Activity Coordinators:**

Sherrie Cunningham      Troy Hibbett  
Faye Payne                      Kathy Gober

There will be a ballot in your newsletter. Please make sure that you make it to the meeting to make your vote count. We

will have extra ballots at the meeting in case you go off and forget yours. We have a good line of people that are willing to volunteer their time for next year.

This rest of the year will be buss for a lot of us. We have Thanksgiving coming up and I know that we all are looking forward to that. I know that some of us will be having family coming in and some will be traveling out to visit there families. If you are one of those that will be traveling, please travel safe and enjoy your trip.

The Christmas party will be upon us before you know it. If you haven't yet, be on the look out for something for dirty Santa. More info on the Christmas party in the news letter.

Hope to see you all at this months meeting.

## Poor Attendance—by Terry Hibbett

You know the old saying, "Sometimes the truth hurts". Well the truth is that we are not having many members show up for our planned events anymore. When folks do show up its always the same members. These few members that show up are the ones we can always count on. To tell the truth, we have talked and have said we don't need a club for the few of us to get together. The club is for everyone and we want everyone to enjoy it but if you are not going to participate and be a part of the club, why join?

A lot of time and effort goes into planning these events for you to enjoy. When no one shows up, the folks planning these events don't want to waste their time planning for something else and I can't blame them. This is tearing the club apart. If you want this club to survive and be the club it used to be and can be again, you must participate. It takes everyone working together to make a good club. I hate to be so negative but as I said at the beginning, "Sometimes the truth hurts".

## Old Hickory Car Show—Tricia Combs

We had a great time at the Old Hickory Car Show at Hayes Ball Field on Saturday 10/25. There were around 140 cars in the show. We had four cars from the club showing.

Congratulations to Terry Wakefield for winning Most Unique trophy for his truck and also for winning first place in the VW class. Terry Hibbett, Charlie Cunningham, and Harry Combs entered cars and each won a solid gold plastic trophy! Thanks to all of you for prepping your cars and entering them in the show. Its a lot of work getting cars ready for a show but its all worth it when you get there and people come up to you and talk about your cars and the club. I hope next year we will have more cars enter this show and other local shows in the area. It's a good way to advertise our club and grow our membership and have some fun.

## Fall Festival—by Gayle Hibbett

Saturday November 8th, nine members met at the Kroger parking lot in Mt. Juliet and cruised to Fiddlers Grove in Lebanon for our Fall Fest. Nine more members met us there for a total of 18 members in attendance.

Harry and Trish Combs were the cooks for the day and grilled hot dogs for everyone. Members brought chili and side dishes plus desserts. Everything was delicious as always. Thanks to Trish Combs for the fall decorations. Sherrie Cunningham was in charge of the fun and games. She and Charlie brought a Plinko board that Charlie made which was lots of fun. We also played Bago, a game like horseshoes but played with bean bags.

This is the smallest Fall Festival we've ever had. Members just aren't participating in any of our events anymore. This is sad to see as the Trace Cruise and the Fall Festival used to be two of our most popular events with the club. Members do not realize how much time and effort go into planning one of these events and its disappointing after all the work that only a small number of members show up.

## Christmas Party—by Tricia Combs

Happy Holidays to everyone! If you haven't done so already you need to write your letter to Santa, address your Christmas Cards, do your holiday baking, put up the tree, decorate the house, do your Christmas shopping, buy your wife that new car or diamond ring and the most important thing for all of us to do is mark our calendar for our Christmas Party.

**DATE:** Saturday, December 6, 2008    **TIME:** 4pm    **LOCATION:** Brook Hollow Baptist Church  
**FOOD:** Ham, Rolls, and Drinks will be provided by the club. Members will need to bring a side dish and/or dessert and / or appetizers.

**GAMES:** We will play our annual game of Dirty Santa. If you wish to be in on the fun, please bring a VW related gift item with a minimum value of at least \$10.00.

**DIRECTIONS:** From Nashville, take I-40 towards Memphis to Exit #201, Charlotte Pike. Turn right onto Charlotte and left at the 2nd light onto Davidson Road. You will bear right from Davidson Road onto Davidson Drive. Go to the 4 way stop and turn right onto Brook Hollow Rd. Brook Hollow Baptist Church will be immediately on your left.

**SIGN UP:** A sign up sheet will be at our meeting on November 17th. If you plan on attending the party, please be sure your names are on the sign up sheet. We will also have a sign up sheet so you can let us know what side item, desert, or appetizer you plan on bringing.

**NOTE:** If you do not attend the Nov. 17th meeting but plan on coming to the party, call me at 776 2498 or 210 2742 by 11/30. It is very important for us to know how many members are coming to the party so we can purchase enough ham. It is also important for us to know what dish you are bringing so we know we will have a variety of side items.
